Children/Family Check-ups

Within the next two weeks, any family member may make an appointment for a full chiropractic examination on us. ...a \$244 value. Take this opportunity to ensure that your kids don't develop the same problems you're suffering from now. Remember, they don't just look like you on the outside. Make the appointments on your way out today!

Appointment Scheduling

Appointments are not required, although, those who are scheduled will be seen ahead of walk-ins. If you walk in we will be more than happy to accommodate you at the earliest opportunity. In addition, when you do make an appointment, please make every effort to keep it, or call to reschedule. Every appointed time not kept, is a missed opportunity to help someone else, therefore, we reserve the right to assess a \$25 missed appointment fee, at our discretion for missed appointments without a 24 hr. notice.

Reports

Reporting of test and x-ray findings are held twice per week for your convenience. - **Mondays at 7:05 p.m.** and **Wednesdays at 1:05 p.m.** A brief orientation of anatomy and concepts will be related prior to seeing your result in order that you will full understand your findings and the doctor's recommendations. This information will be given in a small group format, followed by a private consultation with the doctor. This appointment will take approximately 90 min. Reports given at these times are at no extra charge; included in the examination fee. Alternate times are available for a special consultation fee. Please speak with the doctor regarding this option.

Our Mission

...To serve the families of our world by inspiring, educating, and facilitating them to a higher level of health; enabling them to enjoy a more vital physical body and greater be aware and experience God within them. Our highest vision is to empty every hospital and prison.

We encourage our patients to help us in this most important and noble mission.

Thank you for being a part of our chiropractic family!
